SPRING READINESS
CHECKLIST

KIBBLE EQUIPMENT

PRECISION AG

Licenses and RTK Renewals

▷ Call or text Kibble Customer Support Center @ 507-616-7001
- ☐ Have machine keyed on to receive activation over the air — *Do not wait until last minute*

Display/Receiver Software — menu/system/software manager
- ☐ *Spring update:* 25-1 available over the air v 10.30

Operations Center
- ☐ Setup/Team — Connectivity enabled and accept permissions requested by Kibble for Remote Display Access
- ☐ Client Farm Fields accurate? *A clean Ops Center is necessary if using Data Sync for setup*
- ☐ Products added, RX's created-Uploaded to Ops Center for preview
- ☐ Create work plans and send to machine
- ☐ Accurate Boundaries needed for AutoPath from Boundaries and AutoTrac Turn Automation

Machine Setup and Callibrations:
- ☐ TCM Calibrations: Machine & Implement — Do Advanced Calibration when possible, *very important for AutoPath*
- ☐ Measurements: Machine & Implement — *Measure with implement in working position*
- ☐ Data Sync-Sharing: enabled on display to share coverage and send work data back to Operations Center
- ☐ Delete old work from previous season
- ☐ Work Defined w/ variety and rate under work summary

AutoPath
▷ Rows Setup in Planter and verify with AutoPath recording status checklist in cab
- ☐ Implement Receiver Present: powered up w/ constant power harness
- ☐ Number of Rows and row width set up
- ☐ Signal level SF3 or greater
- ☐ Implement Receiver in Profile: Implement receiver position and measurements are critical
- ☐ Don't forget Receiver fore/aft and Height under the Starfire setup

Need Help with Your Pre-Season Checklist?

We have options with Support Center or On Farm Packages — *ask for details:*

▷ **Support Center Annual Plans**
(Select – Premium – Ultimate)
→ Highly recommend at a minimum purchasing the Select Package for $500 — *phone support for entire farm for entire year*

▷ **On the Farm Precision Ag Service Packages**
(1 – 2 – 3 Visits)

Operations Center Mobile
For quick in-season monitoring

▷ *Scan here to download app* · · ·

Equipment Mobile
For pre-season checklists and parts look up

▷ *Scan here to download app* · · ·

· · · → *See Implement Receiver Measuring Worksheet on Kibble Website*

Using AutoPath in Sprayer

- ☐ Must send setup file with AutoPath data — *This can be done in Ops Center Mobile App*
- ☐ Select Track: AutoPath and Edit to choose fewest number of passes or follow source operation

AutoTrac Performance Best Practices

- ☐ Verify all machine and implement offsets and physically measure them, complete advanced TCM Calibrations, software up to date
- ☐ Auto Advanced Settings: Reset to factory defaults, then adjust sensitivities as needed
- ☐ Track down and back in the same path to see if everything lines up. Implement guidance off, verify tractor is good. Then turn on implement guidance to verify implement is good.

SERVICE

- ☐ Planter Software updates compatible with Precision Ag components — *recommend updating all*
- ☐ V1 to V2 Processor Upgrades or G5 Upgrades: Install software on the processor for both the AMS Apps and Tractor Apps. AMS software done over the air or with USB, Tractor Software — *needs to be done with Service Advisor*
- ☐ Planter hookup/electrical, constant power harness for implement receiver or rate controller
- ☐ Planter walk around for leaks, harness routing, hose rubbing
- ☐ Row Unit Inspection: Disc opener diameter, pinch point, depth components, closing wheel alignment
- ☐ Meter Inspection: Disc wear, double eliminator adjustment, seal wear, and knock out wheel condition
  - ▷ $35/row Meter Testing — *see local Service Dept for more info*
- ☐ Height Sensor Calibrated
- ☐ Speed Source: GPS or Radar connection on Greenstar Harness — *Set to AUTO under SeedStar Advanced Settings*
- ☐ Planter run off: Vac motors, markers, CCS fan, meters turn
- ☐ EPG spline grease/maintenance and gearbox oil change/check

PARTS

- ▷ Up to 12% OFF Filters *(ends March 31)*
- ▷ 10% OFF select in-stock Tillage Parts *(March 25-27 only)*
- ▷ 10% OFF select ExactEmerge™ Planter Parts *(ends April 30)*
- ▷ 10% OFF Sprayer Nozzles *(ends March 31)*
- ▷ 10% OFF StrongBox™ Batteries *(ends March 31)*
- ▷ 10% OFF Forage Harvester Parts *(ends March 31)*
- ▷ 10% OFF Drill Parts *(ends April 24)*
